

IKC 2024

International Kyusho Convention - Salzburg,
Austria 8. - 10. November 2024

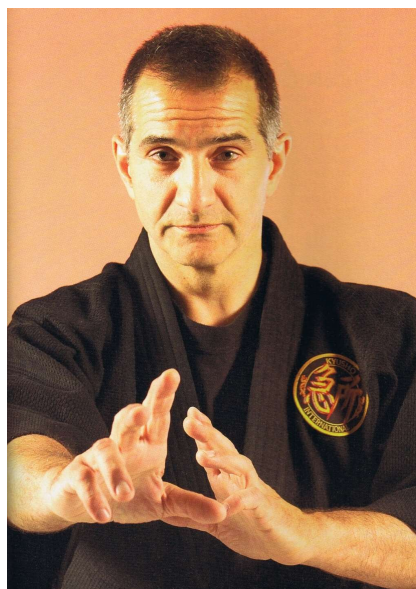

Kyusho International is pleased to announce the International Kyusho Convention 2024. The IKC brings together numerous people from around the world who practice, teach, or are interested in Kyusho to exchange learned knowledge and new advancements in the field of Kyusho.

Whether you have never tried Kyusho before or have been training and studying it for several years, you will be able to discover new and exciting techniques and applications at the IKC.

Train alongside many of the most experienced and talented instructors from around the world, including GM Evan Pantazi from the USA, founder of Kyusho International.

For members of Kyusho International, there will be the opportunity to take examinations. Please get in touch with us (see below) if you are interested in registering for an examination at the IKC.
